**COMMUNICATION IN RESPONSE TO NOTICE OF
NON-COMPLIANT AMENDMENT**

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

This Communication is presented in response to the Notice of Non-Compliant Amendment dated June 8, 2011, in the above-

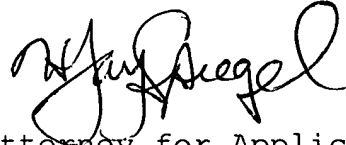

captioned U.S. patent application. In the Notice, the Examiner has stated that a complete listing of all of the claims is not present. Although Applicant submitted a complete listing of all of the claims in the Amendment filed on April 5, 2011, another complete listing of the claims is submitted herewith. This new listing of claims incorporates the changes required by the Examiner in the Notice to Claims 27 and 28, namely, changing them to read --(Previously presented)--.

Also, in the Notice of Non-Compliant Amendment, the Examiner states that there are "two (2) different versions of claim 1 which were submitted which is improper raising confusion." Applicant's Attorney has thoroughly reviewed the previous version of Claim 1 submitted in the Communication in Response to Notice of Non-Compliant Amendment with a Certificate of Mailing date of September 15, 2010, and has found no differences in that submitted Claim 1 and the Claim 1 submitted in the last Amendment dated April 5, 2011, of course not withstanding the newly presented amendments. Attached to this Communication is a copy of the Communication in Response to Notice of Non-Compliant Amendment with a Certificate of Mailing date of September 15, 2010 for the Examiner's review. If the Examiner still believes that there are two versions of Claim 1, the Examiner is

respectfully requested to indicate to Applicant's Attorney where the differences occur.

Respectfully submitted,

H. JAY SPIEGEL & ASSOCIATES
